| Pool        | Yes               |
| 790,000 Eur |                   |

The proud villa WITH STUNNING SEA VIEWS, architecturally a skilfull blend of small palace and castle, yet clearly with elegant character, looks out towards the vast, endless, blue Mediterranean Sea. The view is overwhelming and stretches from Valencia on the distant horizon, to the entire Bay of Denia on the doorstep, at night a fairy-tale scene with a hint of wanderlust, where a thousand lights present an alluring sight.
