Villa, Denia

Ref: E9304

Bedrooms	4
Bathrooms	2
Build	246 ²
Plot	1655 ²
Pool	Yes
790,000 Eur	

The proud villa WITH STUNNING SEA VIEWS, architecturally a skilfull blend of small palace and castle, yet clearly with elegant character, looks out towards the vast, endless, blue Mediterranean Sea. The view is overwhelming and stretches from Valencia on the distant horizon, to the entire Bay of Denia on the doorstep, at night a fairy-tale scene with a hint of wanderlust, where a thousand lights present an alluring sight.
